## .....Trail Trials.....

Looking for new challenges for you and your Horse or Mule? Trail Trials may be for you! These Clinics are designed for those who are new to the sport, or those who'd like to build on their skills and knowledge of the sport. A Trail Trials is approximately a 3-5 hour trail ride, on a natural trail, with 8-10 judged obstacles along the way. Obstacles can be natural or man-made. They are anything that you may, or already have, encountered on a trail ride. Trail Trials are not a timed event and may be ridden on any Equine, with any style saddle and bridle or hackamore.

### Clinics will cover

*~How obstacle are judged~*

*~How rules apply to obstacles and making your ride safer ~*

*~How you can improve your obstacle scores ~*

*~Improving your performance with your horse as a team ~*

*~Answer most of your question ~*
