

CALLING ON VOLUNTEERS TO JUDGE or HELP
FOR THE STATE BENEFIT TRAIL TRIALS

Hi everyone, is anyone interested in helping at the State Benefit Trail Trials in Taylorsville this year? The dates will be Saturday June 12th and Sunday June 13th. **We need judges. This is the 17 year anniversary.** Don't be afraid to volunteer, even if you are not a seasoned judge, you can help. I know everyone wants to ride, but we also have those who are willing to ride one day and help the other day, could you be one of those? We will provide you with the essentials you will need to judge your obstacle. There will be obstacles that you can ride your horse to, as well as those that you can walk or drive to.

So please sign up, and if you know anyone interested in helping, please let them know. If you need practice on the points of judging check out the many clinics offered this year on www.trailtrials.com and go to calendar of events.

Please contact either myself @ tlsandberg@yahoo.com (530)722-0623, Ruthanne Soeth goslowlpaint@pulsarco.com (Saturday), Brandy Fraiser kidthebeast@hotmail.com (Sunday)

This event not only benefits the State Trail Trial Program but also the State Association, which in turn benefits all of us.

Thank you,

Tami Sandberg

State Trail Trials Chairman

(P.S. if you are a Region 2 member and need points helping in other programs toward your Saddle Tickets, this is a great way to gain those hours.)

If you know of anyone that would like to sponsor an award or a raffle item please contact one of us. Thank You.
