

# **DRIVING DIRECTIONS TO MEADOWBROOK RANCH IN MAGALIA, CA.**

15424 Skyway

Starting at Hwy 99

Take the SKYWAY EXIT toward the town of PARADISE

Remain on the SKYWAY for about 24.5 miles

You will pass through the fire devastated downtown part of Paradise - stay on the Skyway - it will take you up to the part of Magalia that was untouched by the fire.

The speed limit on the Skyway is 35 mph unless otherwise posted.

Since the fire the road may be rough with pot holes and ongoing construction.

At this time we cannot predict if the water source will be usable so to be safe please bring your own water supply = for humans and animals.

Watch for the Trail Trial signs on the right to know where to turn in to the ranch.

FYI: Meadowbrook Ranch is in a beautiful little valley but the cell phone service is very limited once you leave Skyway.

Please drive slow on the dirt road to the ranch and follow the TT signs to the camping area.

Happy Trails y'all - see you there!
