Looking for new challenges for you and your horse? Looking for a way to establish a trusting relationship for you and your horse? Give Trail Trials a try!! The clinic is designed for those new to the sport. A CSHA trail trial is approximately a 3-5 hour trail ride with 8-10 judged obstacles along the way. Obstacles can be natural landscape like creek crossings, uphill, downhill or you may find yourself riding through a picnic area full of bouncing balls and running children if the trail trial is in an urban area..
