Phil Larson Arena - Turlock, CA

Looking for new challenges for you and your horse? Looking for a way to establish a trusting relationship for you and your horse? Give Trail Trials a try!! The clinic is designed for Novice Riders and those new to the sport. A CSHA trail trial is approximately a 3-5 hour trail ride with 8-12 judged obstacles along the way. Obstacles can be natural landscape like creek crossings, uphill's, downhill's or you may find yourself riding through a picnic area full of bouncing balls and running children if the trail trial is in an urban area.

!! Come learn from our experienced riders some of which are current State Champions within their respective categories.

Proceeds from clinic will be applied to the CSHA's Jr. Scholarship Fund
