#2 Getting to the Trail above (Ridge to Bridge Trail) – Marty Hardman

*Intermediate*

**NOVICE:** Stay on the trail with the red flags. Ride uphill to the trail above.

Stop and rest your horse at the orange flag for a count of 10 on your way to the top. Continue on the trail. Do you have any questions? Thank you. You may proceed

**ADVANCED:** Stay on the trail with the blue flags. Ride uphill to the trail above. Stop and rest your horse at the orange flag for a count of 20 on your way to the top. Continue on the trail. Do you have any questions? Thank you. You may proceed

*Good obstacle. Rest stop turned into a very interesting part. A few good options and a few bad options where ~~not~~ options weren't really needed.*

*Note. Red flags and orange flag looked the same color for most of the day. Also an orange and yellow/green trail marker @ the end of novice trail. Didn't notice until late. Only 1 person fell for it another brought it to my attention*  
Obstacle Bag – Clip Board, Score Sheets, Instructions, Rules, Pens
