California State Horsemen's Association

Dear Prospective Sponsor:

In honor of our 20<sup>th</sup> Anniversary of the Trail Trials Program we are asking if you would like to become one of our sponsors.

The California State Horsemen's Association was incorporated in 1942, and is a nonprofit 5013C corporation.

Our Trail Trials program has events across the state on various locations such as but not limited to private ranches, public parks with equestrian access, BLM lands, just to name a few. It is an event where you and your mount are judged on many natural obstacles that you would come across during your ride.

Since this is a very special year we would like to get saddles for all champions, and in order to do that we need sponsors.

Thank you for considering this matter, we appreciate anything a sponsor can help with.

Sincerely,
