Resolution # TT 11

Trail Trials, Appendix C

WHEREAS, Appendix C was adopted last year to assist riders and judges in defining one of the types of knots a rider can be judged on during a Trail Trials but one minor point of confusion was discovered, and;

WHEREAS, in Appendix C under the bold letters "**Tying the Quick Release Knot**" it reads "Practice tying this knot without your horse until you can do it correctly and release it just by pulling on the free end. This is the **ONLY** knot you should use to tie a horse." and;

WHEREAS, the confusion is the second sentence "This is the **ONLY** knot you should use to tie a horse." By this sentence you cannot use the Bowline Knot which was also approved last year as an authorized knot to be judged on;

Therefore be it *Resolved* that Trail Trials, Appendix C be amended as follows:

"This is the **ONLY** knot you should use to tie a horse." sentence in Appendix C be deleted from Appendix C
