Reference to Rule, Article, Section, Subsection or paragraph author wishes to change:

Whereas: reason for requested change

Be It Resolved: list the change

Be It Further Resolved: additional change if necessary

Submitted by
Name of author and membership status (i.e. Life, Senior, Family etc.)

Adopted as written ___ Adopted as amended ___ Rejected ___ Tabled

<p style="text-align:center; color:red;">SAMPLE:</p>

Horsemastership, Section 1.0, General Rules

Whereas: The rule book needs to be grammatically correct not just politically correct

Be It Resolved: Whenever the masculine is used, it includes the feminine. Whenever horse is used, it includes all equines.
